

BRENDON POWERWASHERS®

BUILT TO LAST... DESIGNED TO PERFORM

At Brendon we can control all of the manufacturing processes.

Thanks to our skilled in house team we Design it, Cut it, Bend it, Weld it, Mould it, Paint it, Build it and finally Test it!

That's a great depth and strength to have in house and it allows us to adapt and react quickly to build and deliver just what our customers need and when they need it!

Our machines are "BUILT TO LAST" and many machines are still working reliably in the field after more than 30 years of service.

Parts and service back up is very important Brendon philosophy and we pride ourselves on our next day parts availability.

FEATURES & BENEFITS:

- Quality Honda V Twin GX630 Engine
- 12V Dc Electric Start Dry Gel Battery
- Quality Cat Pump (Models: 40 & 50KPE-VT)
 - Large Capacity Manual Hose Reel
- Pressure & Water Volume fully adjustable via the engine throttle
 - 25 Litre Integral Fuel Tank
- Heavy Duty Tubular Steel Powder coated Chassis
 - Pump & Valve Protected by Aluminium Canopy
 - Choice of Chassis Colours
 - Large Capacity Inline Water Filter
- No Lift Push Pull Trolley design with Jockey Wheel Brake
 - Thermo Sensor Valve – Protects the pump from overheating when left for periods without operating the trigger
- Stainless Steel Lance Holder for two Lances
- 4.5M 3/4" Suction Hose & Brendon Strainer

The ultimate petrol driven cleaning machine

The latest edition to the Brendon Powerwasher mobile machine line up is this very powerful Honda V Twin petrol model. The unique and compact design utilises Brendons' renowned heavy duty tubular steel chassis and incorporates a large capacity horizontal live hose reel and an integral moulded fuel tank. Large pneumatic wheels with a front mounted jockey wheel makes it an extremely manoeuvrable machine. There are three standard models in the range to choose from with various working pressures and water volumes to suit every application.

Large capacity Live
Hose Reel

Large choice of Colour
Combinations available
at no extra cost

Superb Quality Low noise
Honda VTwin Petrol Engine

High Pressure Trigger
with Swivel couplings

Braked Jockey Wheel

Electric Start with Hour Meter
